## **LISBON COLLECTION**

## TOWEL RING LEFT 277463L

Loosen the set screw on the accessory and remove the backing plate. Position the accessory against the wall and mark outline with pencil.

## Step 2

Position the backing plate flat side down on the wall and mark holes with pencil.

Predrill 3/16" holes on the wall to fit wall plugs. Insert wall plugs into the wall. Position backing plate flat side down over the plugs and install screws.
